<PRE>Dear Ted, it will be great if we can get these trees to grow, it takes about two years for them to decide if they will survive or not and then they begin to grow a foot each year. We have three seedlings and according to the instructions that is better than par. Barbara Boxer pisses me off every time i see her on t.v. You need to get out of that hotbox for a while and relax. I sent everyone a bill to day for legal expense incurred during the corporate formation. My Pal? Tom Owens charged us \$1500 flat fee plus a fee paid to the state so everyone got a bill for \$175, do you want yours sent to Barb Flanders? I'm asking everyone topay Tom direct so he'll get 10 \$175 checks. I really thought he would do it pro bono but i was sure wrong. I'll call Bill monday and tell him to have his crew move the tenting material and get the tools out of the garage so the house will look normal when you get home. We look forward to your homecoming, bob
